## U.S. Customs and Border Protection (/)

# Nationwide Enforcement Encounters: Title 8 Enforcement Actions and Title 42 Expulsions

On March 21, 2020 the President, in accordance with Title 42 of the United States Code Section 265, determined that by reason of existence of COVID-19 in Mexico and Canada there is a serious danger of the further introduction of COVID-19 into the United States; that prohibition on the introduction of persons or property, in whole or in part, from Mexico and Canada is required in the interest of public health. Under this order, CBP is prohibiting the entry of certain persons who potentially pose a health risk, either by of being subject to previously announced travel restrictions or because they unlawfully entered the country to bypass health screening measures. To help prevent the introduction of COVID-19 into border facilities and into the United States, persons subject to the order will not be held in congregate areas for processing and instead will immediately be expelled to their country of last transit. In the event a person cannot be returned to the country of last transit, CBP works with interagency partners to secure expulsion to the person's country of origin and hold the person for the shortest time possible. This order does not apply to persons who should be excepted based on considerations of law enforcement, officer and public safety, humanitarian, or public health interests. Expulsions under Title 42 are not based on immigration status and are tracked separately from immigration enforcement actions, such as apprehension or inadmissibility, that are regularly reported by CBP.

# CBP Enforcement Statistics Fiscal Year 2021

 [Printer-friendly version \(https://www.cbp.gov/print/36\)](https://www.cbp.gov/print/36)

U.S. Customs and Border Protection is the nation’s largest federal law enforcement agency charged with securing the nation’s borders and facilitating international travel and trade. Our top priority is to keep terrorists and their weapons from entering the United States.

At the nation’s more than 300 ports of entry, CBP officers have a complex mission with broad law enforcement authorities tied to screening all foreign visitors, returning American citizens and imported cargo that enters the U.S. Along the nation’s borders, the United States Border Patrol and Air and Marine Operations are the uniformed law enforcement arms of CBP responsible for securing U.S. borders between ports of entry. (<https://www.cbp.gov/newsroom/stats/typical-day-fy2016>)

The following is a summary of CBP enforcement actions related to inadmissibles, apprehensions, arrests of individuals with criminal convictions and individuals who have been apprehended multiple times crossing the border illegally.

Visit CBP’s [Southwest Border Migration \(/newsroom/stats/sw-border-migration\)](/newsroom/stats/sw-border-migration) page for demographic information regarding apprehensions and inadmissibles on the southwest border and the [Assaults and Use of Force \(/newsroom/stats/assaults-use-force\)](/newsroom/stats/assaults-use-force) page for data on assaults on agents and officers, and uses of force by CBP personnel.

# Criminal Alien Statistics Fiscal Year 2021

The following is a summary of U.S. Border Patrol enforcement actions related to arrests of criminal aliens for Fiscal Years 2016 - 2021.

Records checks of available law enforcement databases following the apprehension of an alien may reveal a history of criminal conviction(s). That conviction information is recorded in a U.S. Customs and Border Protection database, from which the data below is derived.

## Arrests of Individuals with Criminal Convictions

The term “criminal alien” refers to aliens who have been convicted of one or more crimes, whether in the United States or abroad, prior to interdiction by the U.S. Border Patrol. This does not include convictions for conduct that is not deemed criminal by the United States. Arrests of criminal aliens are a subset of total apprehensions by U.S. Border Patrol.

	FY16	FY17	FY18	FY 19	FY20	YTD21
U.S. Border Patrol Criminal Alien Arrests	12,842	8,531	6,698	4,269	2,438	3,464

Fiscal Year 2021 runs October 01, 2020 - September 30, 2021.

## Total Criminal Convictions by Type

This table organizes nationwide convictions of criminal aliens by type of criminal conduct. Because some criminal aliens may be convicted of multiple criminal offenses, total convictions listed below exceed the total arrests noted in the table above.

	FY16	FY17	FY18	FY19	FY20	YTD21
Assault, battery, domestic violence	1,007	692	524	299	208	396
Burglary, robbery, larceny, theft, fraud	825	595	347	184	143	269
Driving under the influence	2,458	1,596	1,113	614	364	610
Homicide, manslaughter	8	3	3	2	3	2
Illegal drug possession, trafficking	1,797	1,249	871	449	386	687

Illegal weapons possession, transport, trafficking	237	173	106	66	49	120
Sexual offenses	155	137	80	58	156	182
Other 1	2,544	1,851	1,364	814	580	981

Fiscal Year 2021 runs October 01, 2020 - September 30, 2021.

<sup>1</sup> “Other” includes any conviction not included in the categories above.
